

Biography/Headshot for Performance Program

Biography

For Season 7, we would like each dancer to write a biography for our performance program including 1 short paragraph on the lines below.

Please write biography from the 3rd person point of view...for example:

"Jane is a fourth grader at Wilson Elementary. She has been dancing for 3 years and excels in Ballet, Jazz, and Tap. This is her first season with IDC. Jane has 2 brothers and a dog named Spot. She enjoys baking and playing runway. Her favorite thing about Illumination is working with the choreographers and making new friends".

(Although it would be easy just to copy this and exchange it with your own personal information, please be original)!

Dancer's Name_____ Age_____ Grade_____

Headshots

For season 7 we will be providing a high quality photo wearing the company jacket for each dancer auditioning to avoid missing photos or delayed delivery for our performance program. This will be done at the time of auditions. Dancers will have their picture taken immediately upon arrival before auditioning. Please make sure that you are presenting yourself in a way that you would like to be represented for the performance program. There will not be retakes. We would like to attain the same quality for each photo to give a strong company presence to our performance program.

*Please complete and return at the time of your audition.
